

Dear Alum-Knights and Friends of Windsor,

Windsor Academy is celebrating **40 years** of academic and athletic success in the fondly known Rutland Community of South Bibb County. We are over 1,500 graduates strong! As we enjoy this historic milestone, the Windsor Board of Directors would like to personally extend a request for gifts to the Annual Fund by June 30, 2011.

Since Windsor Academy is a member of the Georgia Independent Schools Association (GISA), tuition only covers a portion of the money spent to educate current Windsor students. Money raised beyond tuition through the Annual Fund provides the solid financial support necessary to enable us to provide the finest education. The Annual Fund helps bridge the gap between tuition and the cost of a Windsor education. Benefits from the Annual Fund touch every facet of the school's operation from academics to athletics. Many curriculum and technological advances are planned along with building upgrades. We expect to receive a higher academic accreditation through the Southeastern Association of Independent Schools (SAIS) and Southern Association of Colleges and Schools (SACS) after a successful review during spring 2010.

Your gift to the Annual Fund is a vote of confidence in Windsor Academy and is tax deductible. The level of giving is a personal decision for each family. Your gift of any amount is an investment that is essential to the success of our school. You are providing the best for your children and for all the students of Windsor Academy.

Giving an unrestricted gift to the Annual Fund is primary to the successful operation of the school. Unrestricted gifts are the first need. However, many donors make an additional gift directed to a particular department or program that they wish to fund. These gifts are welcome and contribute greatly to the advances made in many areas of the Knight life.

We challenge 100% gift participation by Alum-Knight classes, parents, teacher/staff members, and friends of Windsor. You can send your gift to Windsor Academy, 4150 Jones Road, Macon, Georgia 31216 with a check payable to Windsor Academy Inc. or make gifts online by using safe and secure Pay-Pal below.

Remember the times of your life! remember the blue and white! Thanks again for your time and consideration.

Windsor Academy Board of Directors
