

For Prior GOAL Donors

If a person has contributed to GOAL in the past, they will choose "Returning Donors" on the initial page.

The returning donor will be prompted to enter the following information:

The donor's most recent prior year application information will automatically fill in on the next page, based on their information in GOAL's Contribution Portal.

The donor will change any information needed, and will enter their 2016 requested contribution amount, designated school, check the Raise the Cap petition box if so desired, and check the Authorization box. Then, the donor is ready to click the SUBMIT TO GOAL button.

Raise the Cap Petition (not required, but very helpful to expanding this valuable program):
In 2015, the annual cap on available tax credits ran out in one day! Please support our 2016 Raise the Cap Petition drive.

Please inform my/our state legislators that they should preserve, protect, and expand the Georgia Education Expense Credit program, including a significant increase to the annual cap on available tax credits and rejecting any effort to create a separate program to which only large corporations could contribute to the exclusion of individual taxpayers.

Authorization: *

I authorize GOAL to submit my 2016 GOAL Form to the GA DOR, I commit to making payment in 2016, and to funding my full approved contribution amount within 60 days of DOR approval.

Once the form is submitted, the donor has the option to print a confirmation page. GOAL will receive the application and will update the Contribution Portal.

For New GOAL Donors

If a person has never contributed to GOAL for a tax credit, they will choose "First Time Donors" on the initial page.

The new donor will be prompted to select their tax filing status:

The donor will enter all required information, check the Raise the Cap petition box if so desired, and check the Authorization box. Then, the donor is ready to click the SUBMIT TO GOAL button.
